December 2009

From the Board

It's been a busy fall, with everybody in the "back to school" mindset! From attending auctions and fostering foals to planning fundraisers and revising the website, FANI members have been moving forward. Please check out FANI's new Web pages at:

We extend a hearty THANK YOU to our foster homes! Without fosters, FANI could not fulfill its mission purchasing PMU foals at auction.

This year, FANI has purchased more than a dozen foals and shipped them to foster homes in the mid-west, mid-Atlantic and deep south. Special thanks to our newest foster family, Sarah Lindaman of VonderLind Morgans.

For more information on FANI fosters, visit the Fosters page on the FANI Web site.

FANI Fundraisers!

Two of the sweaters being offered for the raffle.

Foster foals eat like elephants, and hay "doesn't grow on trees!" Please support our fundraisers.

First, FANI is offering a limited number of one-of-a-kind, hand-made pendants featuring the FANI "mare and foal" logo! To view and purchase pendants, please go to the FANI Fundraising page.

Next, FANI is raffling two sweaters donated and hand-knitted by a FANI supporter. Raffle tickets are \$5.00 each or three for \$10.00. Sweaters can be viewed and tickets purchased on the fundraising page on the FANI Web site. The drawing will be held on Thursday, December 17.

Last but not least is FANI's long-running, ever-popular Basket Raffle! Stay tuned for more information on the basket raffles which will be posted as soon as the sweater raffle closes. Good luck to all!
